### COCKTAIL PARTY

This year's Annual Cocktail Party was a great success. The food was delicious, the music was outstanding, and the dance floor was booming. An enjoyable evening was had by all.

Kathie and Leah very much enjoyed preparing for the special occasion!

### PRECAUTIONS WHEN USING YOUR WASHER/DRYER

It is very important that you do not leave your washer/dryer unattended.

There was a recent incident in Acorn Ponds where a resident's washer/dryer started smoking while in use.

It is also crucial that you have your dryer duct cleaned every couple of years. The lack of proper maintenance is a serious fire hazard!

### GOOD & WELFARE

#### *Congratulations . . .*

To Merry and Jack Feintisch on the birth of their granddaughter, Charlotte (Charlie) Grey.

To Gil Blum for being selected amongst eight World War II Veterans to be flown to The National World War II museum in New Orleans by Honor Flight Long Island.

### IMPORTANT REMINDER

There is absolutely no parking permitted on side streets during a snow event. Residents must move their cars to Acorn Ponds Drive.

We strongly encourage residents to use their garage for parking during snow events to make room for more parking on Acorn Ponds Drive.

If you do not move your car, you will receive a \$200 fine.

Thank you for your cooperation!
