SAFETY AWARENESS IN OUR COMMUNITY

We appeal to all residents to observe the stop signs and speed limit. Our community has many more young children and pedestrians than ever before. Please be considerate and drive smart. Let's work together to avoid accidents in this community.

A Traffic Committee has been working to find solutions for the growing problem of cars speeding and failing to observe the stop signs.

Dog walkers and other residents who are out early in the morning and after dark in the evening should consider wearing a reflective vest or belt to increase their visibility when walking the streets. Wearing dark clothes on a dark night is dangerous combination. It's also important that your dog leash does not exceed 6 ft. in length. We also request residents who observe a driver that ignores stop signs or speeding to write down the license plate number and model of the vehicle and notify the office. Warning letters will be sent to the violators.

WINE & CHEESE PARTY

It was so great to see the huge turnout at this year's party on December 15th. A great time was had by all. The food and wine were plentiful and the music was fantastic!

Several residents asked me for the apple dip recipe. Here it is.....

1 stick of cream cheese, softened

1/2 cup brown sugar

1/4 cup peanut butter

1 tsp. vanilla extract

Top with crushed peanuts and serve with sliced green apples.

TENNIS HAPPENINGS

The Tennis Season has come to an end. New online Tennis Booking System was a success. Rules were followed by most players. Remind you that cancellations are to be signed off. Since there is a considerable increase in court usage, this would make play more available.

Look for coming details on a Spring Brunch.

Many thanks to Hank Gardstein and Richard Irizzary for their capable overview and maintenance of the courts.
