Pick up paddles and balls at the reception desk and please return to the desk after your play.

ACORN PONDS

ACORN PONDS LIBRARY

As all of you know, we have a small library on the lower level of the clubhouse.

We are asking that if you have books to contribute, please do not bring them into the clubhouse. We have reached our capacity and cannot store anymore at this time.

Twice a year, I will be disposing of books that are worn or ripped. At that time, I will notify everyone that we are collecting books once again.

*Thank you,
Roni*

PROCEED WITH CAUTION

We encourage everyone to continue to follow the rules and regulations set forth in our community's Rules and Regulations. We cannot stress enough the importance of adhering to the posted speed limit of 15 mph while driving through the community and coming to a complete stop at the posted stop signs.

There has been and will be police presence in the community to assist us in enforcement of the traffic regulations.

For the safety of our children and residents, we would appreciate everyone's compliance.

REMINDER!!

After using your garden hose, please make sure you turn the spigot off and put it on the hose reel or store it in your unit. Hoses should not be left loosely on the property.

During this season many residents beautify their home and garden. Please remember, garden ornaments are welcome on your patio, not on the walkways.

It is also suggested that very large flower pots should not be placed on your patios.
