Our Deepest Condolences...

To Stuart Caspi on the loss of his father on April 24th.

REMINDERS!

- There is no parking permitted in the cul-de-sac at the end of Acorn Ponds Drive on school days during the hours of 7-9am and 2-4pm. The purpose is to allow the school bus to make a turn without backing up. There were several recent incidents where residents did not comply with the posted signs. The Herick's School District has threatened to stop picking up the school children within the community if this should happen again.
- When walking in and out of your garage, please be mindful of other residents and use the pedestrian door.
- Please remember to put lids on your garbage pales. It is the responsibility of the residents to keep their garbage's covered. Please buy another garbage pail if needed.

Thank you for your cooperation!

YOUR POWER IS OUT? NO PROBLEM.

Recently, we have been experiencing power outages within the community.

A resident has brought it to our attention that Coleman 4D Rugged Lanterns can be very helpful in these type of unfortunate circumstances.

If you are interested, they can be purchased at www.Coleman.com. They can also be found in Walmart stores or on Amazon.

2017 OUTDOOR POOL SEASON

We look forward to a great 2017 season! The pool deck is going to look fabulous with the new awnings. We hope to see you soaking up the sun!
