ACORN PONDS

Snow, snow, snow...

During the recent storms, DeBenedittis and his crew worked throughout the night clearing the roadways and shoveling a path to each resident's home. Residents should be aware that DeBenedittis workers are only responsible to clear a path to your front door. They do not shovel the patios.

To facilitate a speedy and effective cleanup, it is always essential that everyone keep their cars off the side streets to allow access for the contractor to properly plow the street. Parking is available on Acorn Ponds Drive.

For those residents who moved their cars off the side streets before each event, we thank you.

ANNUAL OPERA

We are very pleased to announce that Great Neck South is having the it's Annual Opera on March 18th and 19th at 7:30 p.m.

The opera they are presenting this year is

"CARMEN"

The opera will be fully staged, costumed and performed with their wonderful orchestra. It will be sung in French with English subtitles.

Great Neck South's productions are always professionally done and worth your while.

Tickets are \$10 for senior citizens.

Snow & Sand

Residual sand collects in the garages as a result of snow storms. Residents who sweep out their individual garages should NOT be sweeping the accumulated sand into the common garage area or main garage drain.

Just a reminder...

Residents are not permitted to wash their cars in the common garage area. Owners can wash them in their private garage and sweep the water into the drain in the center of the garage.

PARKING

As everyone knows, there are limited parking spaces on the side streets. Please show consideration when parking your vehicles by allowing room for others.

Remember... no parking by walkways, hydrants and yellow lines.

2016 SPRING BRUNCH

Save the date for this year's Spring Brunch on May 1st.

Good and Welfare...

We are thrilled to announce a milestone celebration of Sarah Schreiber's upcoming 100th birthday on March 6th.
