# ACORN PONDER

## REMINDER!!

With Spring in the air, many residents are beautifying their home and garden.

Please remember, flower pots and garden ornaments are welcome on your stoop and patio, not on the walkways.

Please do not put oversized pots on your patio. The weight of oversized planters can damage the patio structure.

Residents who reside in a Dogwood or Elm Unit, must put a plastic liner in their exterior window box before you add any plants. If you do not, and the box rots, you will be responsible for the cost of replacing it.

After using your garden hose, please put it on a hose reel or store it in your unit. It should not be left on the ground.

Have a wonderful Spring season and thank you for your cooperation.
