ACORN PONDER 2019

CALLING ALL GHOULS AND BOYS!

Come and join us for our Annual Acorn Ponds H.O.A. Halloween Bash on Wednesday, October 30th at 4:30 PM at the clubhouse.

Please see the attached flier for more information. We hope to see you all there for a SPOOKtacular evening.

ATTENTION DOG WALKERS

It is important that residents who walk their dogs at night wear some type of reflective clothing so that they are visible to any passing vehicles. Please also walk your pet along the curb-line and not in the middle of the street.

The safety of all residents and pets is extremely important. Thank you for cooperation!

PROPANE TANK DISPOSAL

Residents are responsible for the proper disposal of their propane gas tanks. For a small fee, your local retailer or some gas stations might take back the tanks.

Propane tanks are not to be left in the common garage or dropped off at the maintenance area for disposal.

PROPANE TANKS SHOULD NEVER BE STORED INDOORS.

SAVE THE DATE

This years Cocktail Party will be held on Friday, December 13th from 7:30-9:30pm!

WINTERIZING SUGGESTIONS

Now that the summer has come to an end, here are some helpful suggestions to prepare for the winter:

For frozen pipes, the old-time solution is a useful one. Don't turn the faucet off if the water stops. As long as the faucet is open, any pressure build-up will be released. In extremely cold weather, it is recommended that you leave the cabinet doors under the sink open to allow heat to circulate. This practice greatly reduces the occurrence of frozen pipes. Residents with exterior water spigots must turn them off for the season. This can be done from the water source inside the unit.

We strongly urge residents to turn off the water in their unit when they are going away. It is simple to do and may prevent a potential leak in the unit.

ISLAND HARVEST FOOD DRIVE

Once again, Acorn Ponds is sponsoring the Island Harvest Thanksgiving Food Campaign for the under privileged .

The collection bins will be in the clubhouse entrance from October 16th through November 15th.

Donated items should be packaged in plastic or non-breakable containers.

NO PERISHABLES.

Thank you for your support!

COYOTES

Frank from the Wild Dog Foundation will be speaking on the coyotes that have been observed in the Searingtown area. If you are interested, the meeting will be held on Wednesday, October 2nd, at 7:00 pm in the clubhouse.
