MARCH 2020

SUPERBOWL PARTY

The Kansas City Chiefs delivered an unbelievable win against The San Francisco 49ers!

31 - 20

It was a suspenseful night full of food, drinks, and entertainment. We were pleased to see that everyone enjoyed it!

MARCH ON HUNGER VILLAGE FOOD DRIVE

The Village of North Hills is coordinating with the Long Island Clerks and Treasurers Association to participate in the annual Island Harvest "March on Hunger" food drive.

The Village will be collecting food donations in the Village Hall lobby until Wednesday, March 11th.

CLUBHOUSE RENOVATIONS

As many of you are already aware, the clubhouse has been newly renovated giving it a fresh and updated look!

We ask that everyone please be considerate when visiting the clubhouse and clean up after themselves. We want to keep the clubhouse as clean as possible and would greatly appreciate your help in doing so!

THE VILLAGE OF NORTH HILLS PERMIT REQUIREMENTS

Building and plumbing permits are required for any physical change inside or outside the building (except cosmetic items like painting, wall paper and carpets). This includes (but is not limited to) exterior extensions, decks, interior alterations (including finished basements), replacement of kitchens, and/or bathroom fixtures.

Starting any work (or demolition) without a building permit, results in tripling of the permit fee.

The purpose is to protect the homeowners to ensure any work that is performed is to code and is safe.

If there are any questions regarding this matter, please contact The Village at 516-627-3690.

PET WASTE STATIONS

It was brought to our attention that some residents are not picking up after their pets. As you are all aware, we have three pet waste stations for the purpose of keeping our property clean.

Please make it a priority to pick up after your pet. Violators will be subject to escalating fines.

Thank you for your cooperation!

CAR TAGS

New residents and residents with new cars **MUST** register their vehicles with the condo office. If you have a car that is not yet registered, please make it a priority to bring in your registration to the on-site management office so we can issue you a car tag and update our records.

It is mandatory for all residents to have a sticker on their car, whether you own or rent a unit. Resident vehicles that do not have an Acorn Ponds sticker will be subject to a fine.

GARBAGE DISPOSAL GUIDELINES

Refuse Removal:

- All refuse must be put in sealed plastic bags and placed in a covered pail.
- All cartons must be broken down.
- Carpet must be cut down to 3 ft. width and rolled into small bundles and tied.

If you have latex paint cans to dispose of, you must remove the lids and let the paint dry out before putting it out for collection. *Do not put paint cans into trash bags.*

Recyclable Items:

Recyclable items are collected by Meadow Carting on Wednesdays. Newspapers should be bundled and tied. Recyclable items, e.g., glass, plastic and metal cans, should be rinsed out and placed in your recyclable pail.

Bulk Items:

No bulk items, e.g., appliances, furniture, hot water heaters, etc. should be placed in the common garage area until Sunday or Monday evenings for collection by our maintenance staffs on Tuesdays. If the bulk items are not put out in time for the scheduled collection days, they must be moved back into your private garage for the next collection day. If you have any doubt about what you can put out for bulk collection, please contact the condominium office.

Construction Debris:

No construction materials, e.g., wood, sheetrock, etc. should be put out for collection. Our refuse company will not take it. Your contractor is responsible to remove all debris from the site. If your contractor needs to bring in a dumpster for construction debris, you must contact the condominium office in advance to make arrangements.

Hazardous Waste Products:

Disposal of oil-base paints, oil, anti-freeze, paint thinners, batteries, etc. is prohibited. Several times a year the Town of North Hempstead's S.T.O.P. Program sets up collection sites for disposal of hazardous materials. For information on the S.T.O.P. location and collection dates call 516/767-4600.

NOTE: All electronic equipment, TV's, stereos, computers, etc. must be brought to the Town of North Hempstead's collection site for disposal.
