ACORN PONDER 2020

ANNUAL MEETINGS

Due to the virus, all annual meetings will be postponed to a later date.

GOOD & WELFARE

Our Deepest Condolences . . .

To the family of Harvey Fuchs on his recent passing.

To the family of Neil Blatt on his recent passing.

To Michael Tennenbaum on the passing of his father.

SOCIAL DISTANCING

As we are all already aware, social distancing has become a new practice in our every day lives due to COVID-19. Please be courteous to your neighbors and practice social distancing when walking throughout the community and on the village path.

REMINDER TO ALL RESIDENTS

There is absolutely no bike riding permitted on the village path. Many people, especially during this time, are making great use of the path to remain active and get outdoors. We would like to keep it as safe as possible!

TENNIS

The tennis courts are now open for use. Please see the attached revised Tennis Court Rules as of May 21, 2020.

Please be aware, you must register on the Acorn Ponds tennis sign-up site before use.

TREE, LAWN & SHRUB MAINTENANCE

The condominium's tree, lawn and shrub maintenance treatments, scheduled for the month of June, are noted below. Please mark your calendars!

Bartlett Tree Experts:

Date: TBA

Rain Date: TBA

Custom Lawn:

Date: Friday, June 12th

Rain Date: Monday, June 15th

Tuesday, June 16th

On scheduled treatment days, residents are advised to keep their pets and children off the lawn areas and remember to close all windows and cover patio furniture. When Bartlett is scheduled, residents should not park their cars in areas where there are trees along the curb-line.

OUTDOOR POOL UPDATE

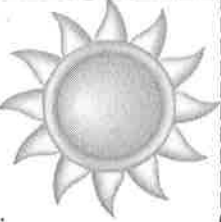

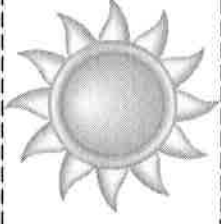

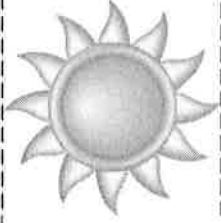

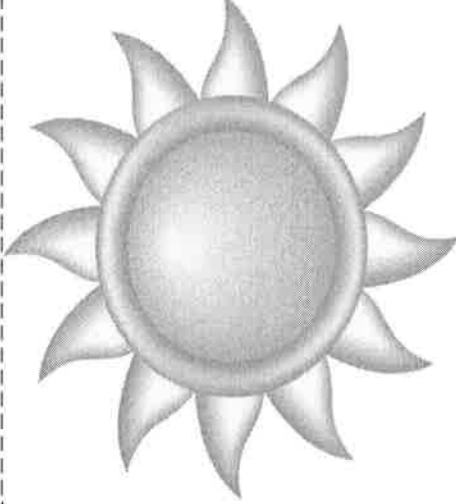

Under current New York State restrictions, commercial pools are still not allowed to be "open" for public or private use. Due to these restrictions, the outdoor pool will remain closed until further notice.

The Department of Health in Nassau County issued guidance that we should continue to maintain and sanitize the pool. Therefore, Aquatech will be coming in twice a week to do so.
