## ACORN PONDER 2022

### CAR PERMITS

ALL RESIDENTS **MUST** register their vehicles with the on-site condo office.

If you have a car that is not yet registered, please make it a priority to bring in your registration to the on-site management office so we can issue you a car decal and update our records.

It is very important that we have all residents' cars registered, whether you own or rent a unit. We have been following up with residents who do not have car decals on their vehicle by checking license plate numbers.

If you are a resident without a decal on your vehicle, you are subject to a \$200 fine.

### IMPORTANT REMINDERS

- All wreaths and decorations must be removed no later than two weeks following the holiday!
- All residents should be aware that there is absolutely **NO** parking permitted on side streets during a snow event. Violators will be subject to a \$200 fine.
- Please be courteous and refrain from letting your pets go to the bathroom on your neighbors lawns.

*Thank you for your cooperation!*
