ACORN PONDER 2022

SPRING BRUNCH SAVE THE DATE!

SPRING is in the air! Our Annual Spring Brunch is scheduled for Sunday, June 5th.

POOL PASSES

Warm weather is right around the corner, which means it's time to update your pool passes for the 2022 season.

After April 15th, please make it a priority to stop by the condo office with your Acorn Ponds identification card to update your pool pass and also obtain this year's guest pass.

If you are a resident that does not yet have an Acorn Ponds identification card, please bring a photo of yourself with you or email a photo to acorn-p2@optonline.net so we can make you a card.

COYOTE SIGHTINGS

Concerns are being raised over coyotes on Long Island after reported sightings earlier this month near Lattingtown and other North Shore communities.

It is rare that a coyote will come in contact with a human, but small dogs or puppies could find themselves as prey.

Please be cautious when you are out walking and take the following tips into consideration:

- Bring a whistle or any kind of noise maker when you go for a walk
- Keep your yard clean
- Don't leave pets or small children unattended outside
- If you encounter a coyote:
 - Make yourself look big
 - Make noise
 - Stand tall and wave your arms

*Coyotes are wary of humans. Your presence is usually enough to drive off a coyote.
