In the film, Maverick confronts his past while training a group of younger Top Gun graduates, including the son of his deceased best friend, for a dangerous mission. The film was widely praised by critics, with many citing the aviation sequences as the standout element, and deeming it superior to its predecessor. It grossed over \$1.48 billion worldwide, becoming the highest-grossing film of 2022 and the highest grossing film of Cruise's career.
