### PARKING DURING A SNOW EVENT

There is absolutely no parking permitted on side streets during a snow event. Violators will receive a \$200 fine.

### CAR DECALS

All residents MUST register their vehicles with the on-site condo office.

If you have a car that is not yet registered, please make it a priority to bring in your registration to the on-site management office so we can issue you a car decal and update our records.

It is very important that we have all residents' cars registered, whether you own or rent a unit. We have been following up with residents who do not have car decals on their vehicle by checking license plate numbers.

If you are a resident without a decal on your vehicle, you are subject to a \$200 fine.
